Thanks for the reply, Terri! Daniel stepped in and is allowing us to park at Onyx.

Appreciate all the help!

Do you think we can get the convention center to assist ?

There is an open lot - the bond lot- at the corner of Pico and LA Live Way that might be a short term option?

Do you want me to connect you to Brad?

I am out of the country but seems reasonable

Hi SPBID Board members,

I'm reaching out with a time-sensitive request – I'm looking for 2-3 overnight parking spaces in a secured lot for our clean and safety vehicles. After a lot of back and forth, the operators of the garage we currently use just informed me that we are no longer able to keep the vehicles there, so we're in a bit of a bind.

Re: Secured overnight parking

Are any of you able to help out with this, even temporarily until I can secure something long-term?

Thanks very much,

Ellen
